

Brooklyn

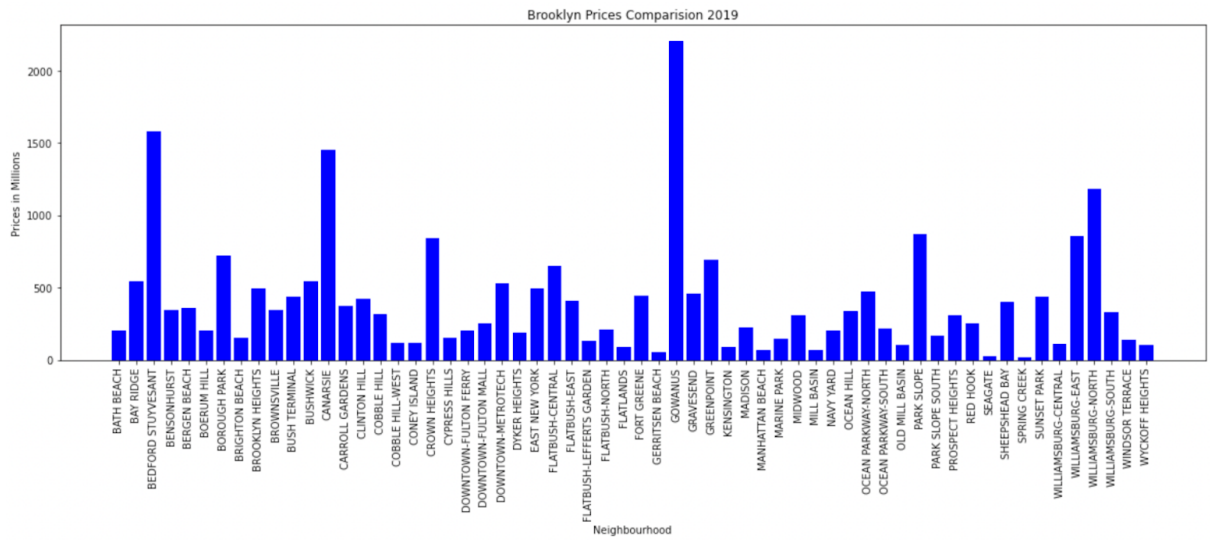

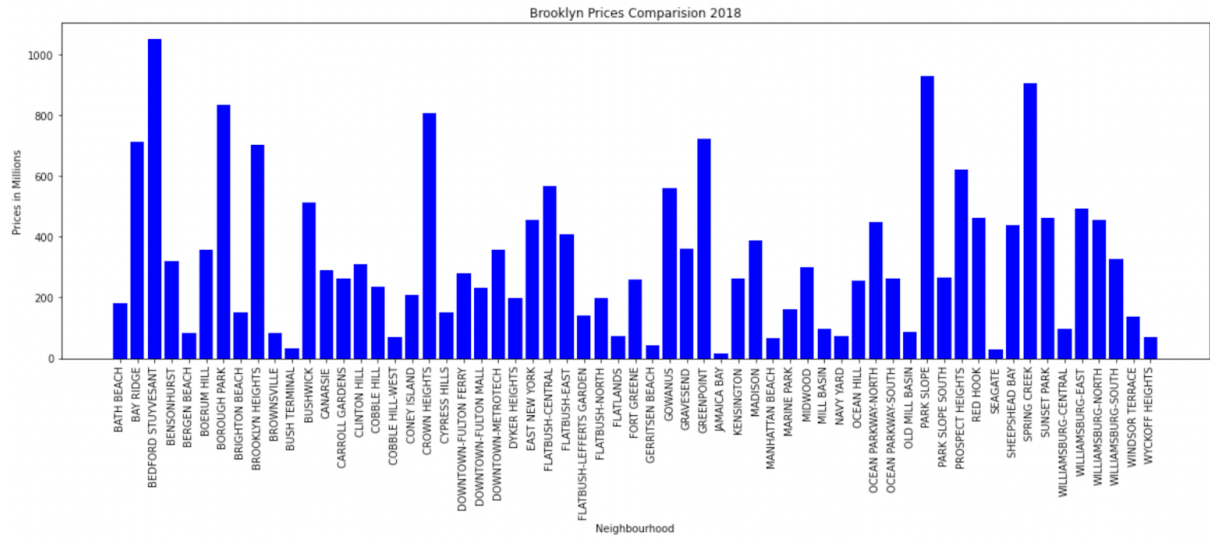

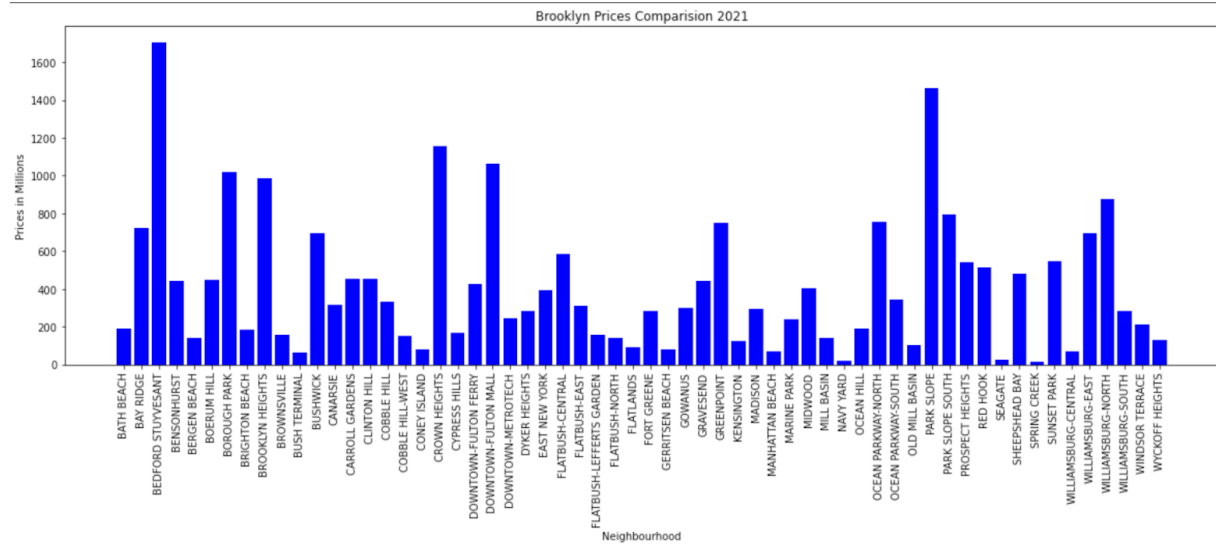

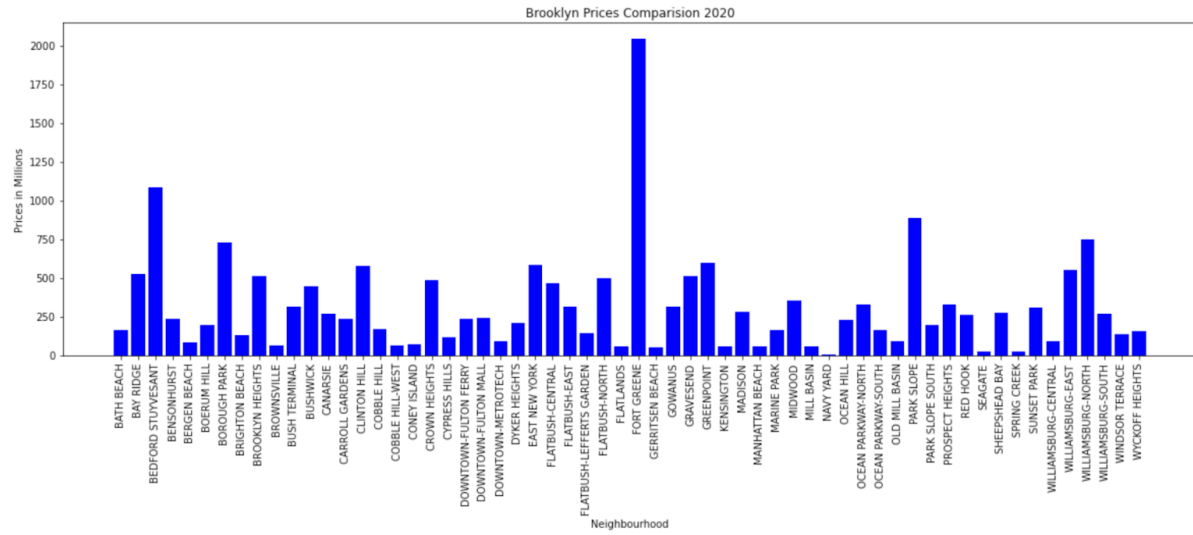

For Brooklyn, Bedford-Stuyvesant has consistently been one of the expensive neighborhoods followed by Brooklyn Heights and Park Slope. We can see a few neighborhoods like Gowanus in 2019, Fort Greene in 2021 and Spring Creek, even Crown Heights but this is majorly due a few sales which were more expensive adding up to form the sum of sales graph. Generally Bedford-Stuyvesant, Brooklyn Heights and Williamsburg North can be considered to be the most popular and expensive neighborhoods in Brooklyn.
